NONPROFIT  
FOOD RECOVERY  
ACCELERATOR

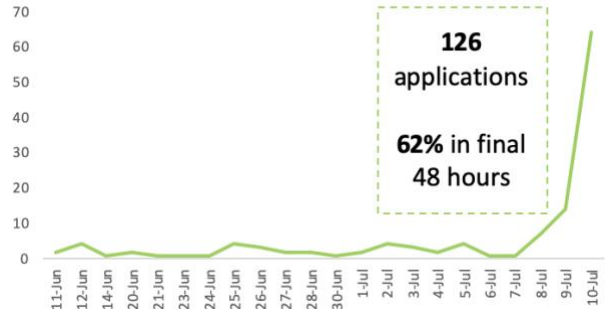

## OPEN CALL ANALYTICS

### EXECUTIVE SUMMARY

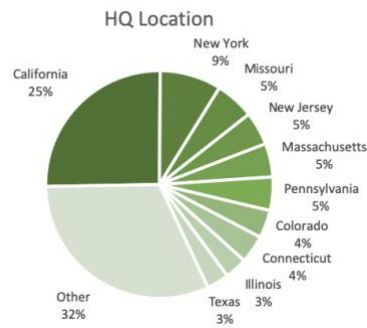

The open call for [ReFED's Nonprofit Food Recovery Accelerator](#) closed on July 10, 2019. Given the overwhelming response from the recovery sector (including over 400 registrations for a virtual information session and 126 applications from a highly diverse group of organizations), ReFED is confident the final cohort of 10 nonprofits will be best-in-class, chosen via a truly competitive and insightful selection process.

Overall, the applicant pool of 126 food recovery and technology organizations collectively reported employing more than 5,600 full-time staff, mobilizing 190,000 volunteers, running a total annual budget of \$204M, and needing \$30M in funding over the next 12 months.
